Customer

Return name and address
if different from above:

Collect the \$60.00 repair handling fee from the customer. Your Orvis dealer account will be billed this amount.

Rods to be repaired go to:

Orvis Rod Repair
4182 Main Street
Manchester, VT 05254

Please do not send any other products or repairs to this address.

Before submitting, please remember:

- **Each rod needs its own repair number**
- Please label or tag each rod with its repair number
- Send rods in sacks or tubes when possible
- If binding loose rod sections together, please use rubber bands, not tape
