Orvis Endorsed Guide Agreement

As an Orvis Endorsed operation, we have entered into a partnership with The Orvis Company (Orvis), in that Orvis promotes to its customers our business in their catalogs, website and company owned stores. In return, we have agreed to promote Orvis products to our customers during the guiding services provided to our clients/guests.

As an Orvis Endorsed operation, _____, our expectations of all guides who provide services to our guests will agree to the following guidelines...

- Conduct themselves in a manor reflected in the Orvis Endorsed Guide Manual (www.orvis.com/guides)
- Promote safety, education and strong angling ethics with our guests.
- Ensure a current Orvis Outfit (Rod, Reel and Line) is on hand and in good condition on each trip, which we will make available.
- Encourage the use of an Orvis outfit at some point in time during a trip.
- Encourage clients/guests to provide feedback on their experience on the Orvis website, specifically the pages dedicated to our operation.
- Honor the resource and promote conservation.
- Maintain a positive attitude and have fun with each client/guest.

I, _____, agree with these guidelines and will do my best to follow them while providing my services as a professional Fly Fishing Guide.
